Rotating Platform

- Platform rotated by actors during the action of the show.
- Decorative posts used to assist actors in rotating platform.
- Three stair units are mobile

PLATFORM ROTATES AND IS POWERED BY ACTORS DURING THE ACTION OF THE SHOW.

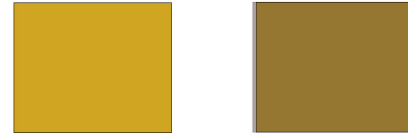

Rotating platform Front elevation

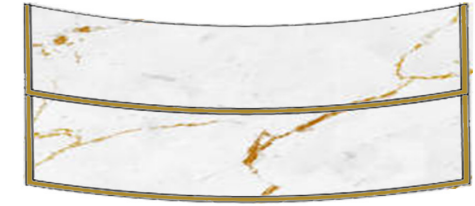

- White marble with gold and bronze veining with painted floral details.
- White marble with gold and bronze veining will give a neutral “canvas” for the costumes and lighting.
- The stairs and pouffe has a matching paint treatment

SENSE AND SENSABILITY

US PLATFORM

- You see the same marble and floral treatment on the doors.
- The bronze and gold details are similar to the floor.
- The angle on the base allows the doors to push against the platform seamlessly.

R&R

Chandelier

- The Chandelier is oversized and exaggerated.
- Swags of pearls will create the sense of a cage around the space.
- Swags of festoons (lights) will be incorporated into the pearls.
